

WEDDINGS
at the Guildhall

Welcome to the Guildhall

We are thrilled you are considering The Guildhall in Grantham as your wedding venue.

The Guildhall is a unique Victorian, Grade II-listed building situated on St Peter's Hill Green right in the civic heart of the town. Its central location and impressive clock tower – an iconic landmark in the town - make it easy to get to and easy to find.

Formerly the town's sessions' hall, the Guildhall has a grand entrance with a sweeping staircase leading up to the ballroom making it a perfect setting for your ceremony, reception and party.

Our aim is to give you a flexible, personal experience enabling you to choose a combination of rooms and facilities to suit your needs with our helpful team ready to offer advice on room layout, seating plans and general arrangements.

We hope this pack tells you everything you need to know about booking your special day with us but if there's anything else - don't hesitate to ask.

Yours truly,
